

## Digital Dreams Vision

### Media Kit

#### About Us

We build AI-powered consumer apps and social content that connect users with partner brands.

**EatGenie** – AI restaurant discovery & food delivery recommender.

**StylePilot** – AI stylist & fashion shopping assistant.

We also produce influencer-driven content on TikTok, Instagram, and YouTube to drive installs and traffic.

#### Our Audience

- Food lovers in Germany and Europe looking for restaurants and delivery.
- Fashion-conscious users seeking affordable and stylish outfit ideas.
- Social media audiences engaging with TikTok & Instagram short-form video content.

#### Why Partner With Us

- AI-driven recommendations integrated directly with affiliate partners.
- Dual verticals: Food & Fashion.
- Growing reach across social media platforms.
- Performance tracking with clear attribution.
